

Functional Skills English & Maths Level 1 & 2

Duration: 6-8 Weeks

Accreditation

These courses are accredited by City and Guilds.

Introduction/Summary

This course will allow delegates to develop the practical skills that are needed in everyday life, to study and in the workplace.

TheLightBulb will help learners to achieve either Level 1 or Level 2 which means that once completed, they will be able to demonstrate the ability to understand and use every day English & Maths to a higher standard.

Content

Courses include everything needed for a learner to develop their language & maths skills gradually and build-up their confidence, progressing at their own pace.

Delivery is via virtual training sessions + 1-2-1 tutor support. The course contains:

- Two, one-hour virtual tutorials per week with our specialist functional skills tutor
- Delivered over 6 to 8 weeks, depending on ability
- A mock exam paper including feedback
- An improvement guide following the mock exam, to ensure readiness

We know that one size does not fit all, that is why our courses have been created to cater for all ways of learning. Whether learners are a visual, auditory or kinaesthetic, they will be able to learn in the way that they find most comfortable. Learners will receive activity sheets & fact sheets needed and will be guided & supported throughout the course.

Outcomes

By completing the Functional Skills course, learners will not only gain a qualification, they will feel more confident and able to take-on further responsibilities and even pursue higher education.

Requirements/Pre-Requisites

There is no formal criteria, but learners will have to complete an initial assessment and a registration form. They will also have to be unemployed and not in any paid employment.
