

Do you CARE enough to CARE?

If so, this highly engaging programme will give you the edge when applying for care vacancies and a solid start to a very worthwhile career path in the Care sector.

The City & Guilds Level 2 qualification "Preparing to Work in Adult Social Care" will provide you with knowledge to help you get ahead of other applicants in a growing industry. You will learn about:

- **Communication and personal development in adult social care**
- **Diversity, equality and inclusion as well as safe guarding and protection in health and social care**
- **The duty of care**
- **The role of the care worker**
- **Person centered approaches**
- **Health and safety in care settings**
- **How to handle information in care**
- **Effective skills, qualities and attitudes for work and learning**

This programme is now available via virtual learning with start dates in July, August & September.

If you would like to know more about taking the right steps towards a promising career, please contact us at info@thelightbulb.net

This course is funded in partnership with Twin through the European Social Fund. Applicants must be over 16 before the 31st August and not in any paid employment or full time education. If you are unsure of your eligibility, then please contact us for advice.
