Moving On Training Course

Key benefits to you:

- Improve your confidence and knowledge
- Identify your own skills, qualities, experience and qualifications
- Gain professional advice on applying for work
- Create a new CV
- Look at opportunities for employment within the local area
- Learn how to be prepared for an interview
- Learn about your rights and responsibilities as an employee
- Look at your attitudes and behaviours at work
- Learn how to improve customer satisfaction
- Learn to work within and support teams

TheLightbulb's Moving On Course, will help you find the right career, while improving your employability and workplace skills plus, giving you an introduction to Customer Service, and a wide variety of employment opportunities.

As well as receiving training you will also achieve nationally recognised qualifications (Level 1 Skills for Confidence qualification and Level 1 Customer Service qualification).

We will support you in gaining the self-belief needed to apply for jobs and prepare you not only for interviews but for assessing you into future employment and getting you that desired job.

The City and Guilds qualification you could achieve includes the following:

- Have an introduction to customer service
- How to communicate service problems
- How to handle telephone calls from customers
- How to communicate effectively with customers including the importance of appearance and behaviour in customer service
- How to apply legislation, regulation and organisational procedures
- Working in customer service
- Understanding the business of retail
- Communicate effectively with customers
- Effective relationships with customers and colleagues

Other beneficial areas in the qualification are...

- Conduct at work
- Effective communication
- Career planning
- Working as part of a team
- Investigating rights and responsibilities at work
- Interview skills
- Attributes and values for personal development

Employment opportunities:

- Retail
- Call centres
- Banks, financial institutions
- Insurance
- Hotels
- Sport and leisure
- Office roles
- Receptionist positions
- And other related roles
