

3 day Construction Skills Course

In partnership with Get Set UK TheLightBulb are offering you the chance to join our 3 day course which will cover Manual Handling, Construction Skills and Health and Safety Training.

What you will cover:

- Health & Welfare
- Accident Prevention
- Risk Assessments
- Practice questions
- Practice exercises
- Responsibilities

Throughout the course you will be working towards achieving your CSCS card and upon completion we will book you in at a test centre local to you to sit your exam.

It will take place face to face at Get Set UK's office in Walthamstow, running from 9.30am to 4.30am.

Speak to your Get Set Advisor for further information and to be referred onto the course.
