

## Course Introduction

### Are you looking to upskill your Teaching Assistants?

This Diploma will provide you with an in-depth understanding of how to work directly with children and young people in school or college environments.

This NCFE employer recognised certificate, will cover all aspects of specialist support, including: planning, delivering and reviewing assessment strategies to support learning alongside the teacher; bilingual support; special needs support; and personal development and reflective practice.

It will be delivered through a combination of online workshops with a qualified trainer, 1:1 coaching sessions, onsite observations combined with online learning through the Learning Curve Portal.
